To Whom It May Concern,

Vantage Lighting's Capela® Series, F-class Gen V, F-class Commercial, vHealth® fixtures; its C-Class round and adjustable fixtures; its high lumen fixtures; and its Decoline® and LED cylinders and LED low-bays all meet current "Buy American Act" requirements (41 U.S.C. 8301-8305). All of these Vantage fixtures are 'US made' consistent with the requirements of these programs. Please note any specific 'Made in America' requirements on orders. If you have any questions, please contact Vantage Lighting.

Sincerely,
